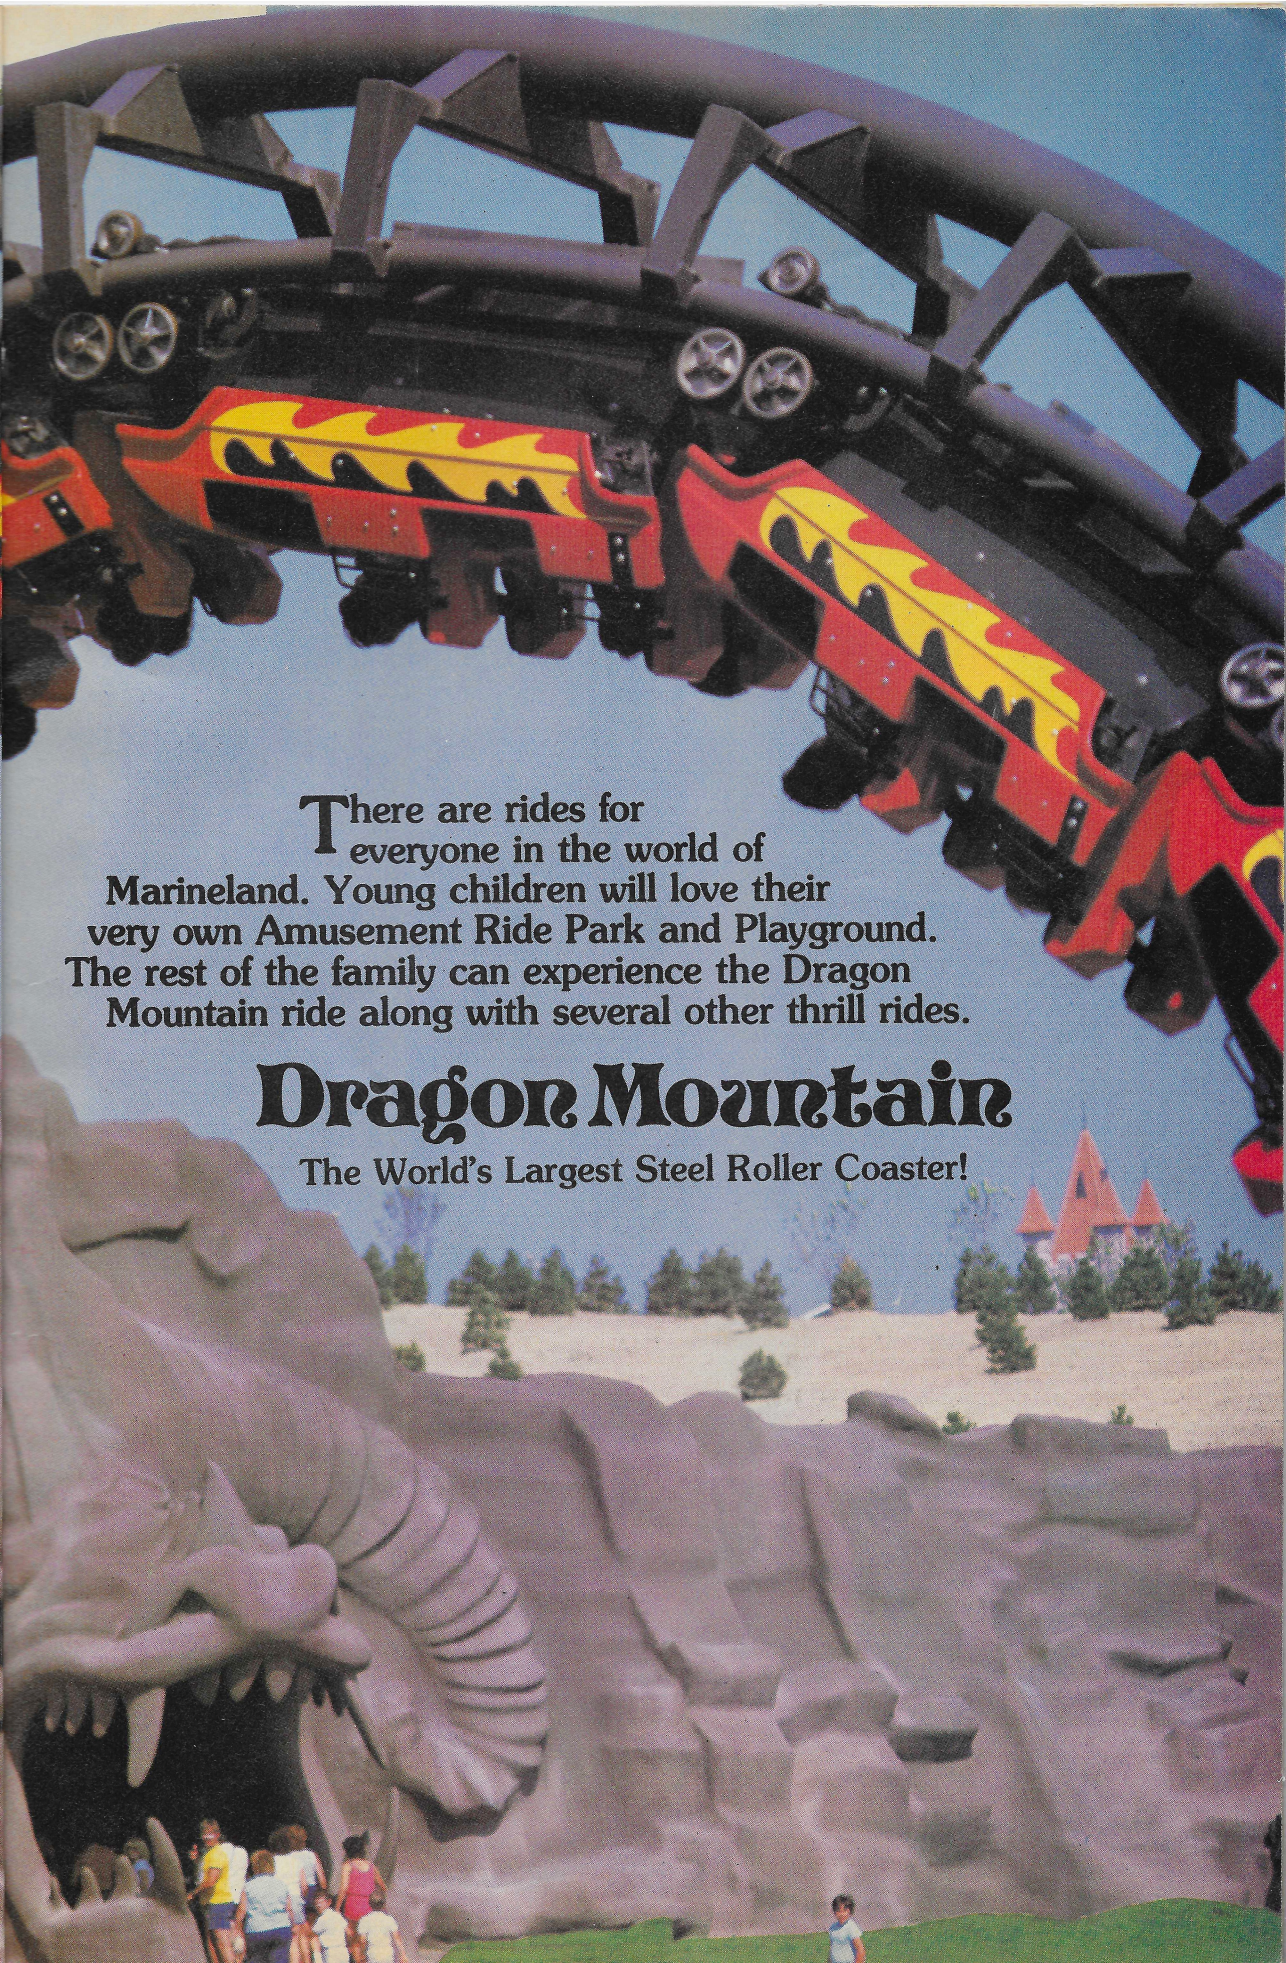
King Waldorf's Aqua Theatre Show

Welcome to a world of fun, laughter, thrills and excitement.

That's Kandu and Nootka greeting you with one of their explosive leaps from the water in King Waldorf's Aqua Theatre. They're Killer Whales, each weighing several tons . . . and each with a playful side that includes planting a kiss on their favourite people.

Killer Whales are just part of the live action in the all new aqua theatre show at Marineland. This year's show features King Waldorf, who presides over the crowd-pleasing performances of a troupe of California Sea Lions competing to please the King and win his lovely daughter's hand in marriage.

As part of the wedding celebration, King Waldorf has assembled the largest group of dolphins performing anywhere. Impressive? You bet. But you've just seen one corner of our world.



There are rides for everyone in the world of Marineland. Young children will love their very own Amusement Ride Park and Playground. The rest of the family can experience the Dragon Mountain ride along with several other thrill rides.
